

**DME NO AUTHORIZATION REQUIRED LIST**  
**April 15, 2017 Revision**

- Quantity limits must be within CMS or DMAP benefit limits.
- When able, CareOregon provides quantity limits for reference. These quantity limits are subject to change by CMS/DMAP at any time.
- Quantities exceeding the limits require an authorization for payment, **except quantity limits listed for diabetic supplies (see separate grid for diabetic supplies pg. 4)**
- For OHP members, diagnosis must be above the line

Range Start	Range End	Description	Quantity
