You previously received notice that all medical claims for injectable mental health medications should no longer be billed to CareOregon and instead sent directly to the Division of Medical Assistance Programs (DMAP). This communication was sent in error.

No changes in billing policy have been made.

Please continue to bill any mental health medications that are administered "incident to" a physician's service to CareOregon.

If you have any questions, please contact the CareOregon Customer Service Department at 503-416-4100 or 1-800-224-4840, Monday through Friday, 8 a.m. to 5 p.m. or visit our website, www.careoregon.org/Provider
