Form Rev. 06/20/2012

**MEDICAL CONDITION STATEMENT FOR EARLY INTERVENTION ELIGIBILITY
(BIRTH TO AGE 3)**

Date: _____ Child's Name: _____ Birthdate: _____

The State of Oregon, through the Oregon Department of Education, provides services to young children with significant developmental problems. The Department recognizes that disabilities may not be evident as delays in infants and very young children, but, without intervention, the child will become developmentally delayed.

The above named child may have such a condition. Oregon law requires that a physician, physician assistant, or nurse practitioner with the appropriate State Board licensure, examine the child and determine whether the child has a physical or mental condition that is likely to result in a developmental delay.

The Oregon Department of Education requests your assistance in determining this child's eligibility for Early Intervention (EI) services. While many children may benefit from EI services, please understand that this program has been established to serve only those infants and young children in whom developmental delays are evident or likely to develop.

Medical Condition:

Please indicate if this child has a:

- Vision Impairment
- Hearing Impairment
- Orthopedic Impairment

Comments:

Yes	No	This child has a physical or mental condition that is likely to result in a developmental delay.
-----	----	---

Physician/Physician Assistant/Nurse Practitioner

Date

Oregon law requires that a physician, physician assistant, or nurse practitioner, with the appropriate State Board licensure determine whether the child has a physical or mental condition that is likely to result in a developmental delay. For a physician and physician assistant this licensure in Oregon is from the State Board of Medical Examiners. For a nurse practitioner in Oregon this licensure is from the State Board of Nursing. Physicians, physician assistants, and nurse practitioners from other states must have the appropriate requisite licensure for their State. This form is used by the physician, physician assistant, or nurse practitioner to indicate the child's diagnosis for special education purposes.

Print Name: _____ Phone: _____

Please return to: _____

Submit this with EI/ECSE Referral Form to the EI/ECSE program in the child's county of residence.

Copies of this form (Form 581-5150D-X (4/12)) may be obtained from the Oregon Department of Education,

Early Intervention/Early Childhood Special Education

or on-line at <http://www.ode.state.or.us/search/page/?=3166>

Early Intervention/Early Childhood Special Education (EI/ECSE) Referral Form for Providers* Birth to Age 5

CONSENT FOR USE OR DISCLOSURE OF HEALTH INFORMATION BETWEEN HEALTHCARE PROVIDERS and EARLY INTERVENTION

Information for Parents

This consent for release of information authorizes the disclosure and/or use of your child's health information from your child's health care provider to the Early Intervention/Early Childhood Special Education (EI/ECSE) program. This consent form also authorizes the disclosure of developmental and educational information from the Early Intervention/Early Childhood Special Education program to your child's health care provider.

Why is this consent form important?

Your child's health care provider sees your child at well-child screening visits and for medical treatment. Sometimes your child's health care provider may see the need for more information, like evaluation or follow up by other specialists, to identify your child's special health care needs. The Early Intervention/Early Childhood Special Education (EI/ECSE) program can be a resource to help identify your child's needs. The primary goal of this consent form is to allow communication between your child's health care provider and EI/ECSE programs so these providers can work together to help your child.

Why am I asked to sign a consent on this form?

The consent allows your child's health care provider to share information about your child with EI/ECSE, and allows EI/ECSE to share information about your child with your health care provider. Your consent for the release of information allows your child's health care provider and EI/ECSE communicate with one another to ensure your child gets the care your child needs. However, as your child's parent or legal guardian you may refuse to give consent to this release of information.

How will this consent be used?

This consent form will follow your child as he/she is screened and/or evaluated at EI/ECSE. The information generated by this release will become a part of your child's medical and educational records. Information will be shared with only individuals working at or with EI/ECSE or the office of your child's health care provider for the purpose of providing safe, appropriate and least restrictive educational settings and services and for coordinating appropriate health care.

How long is the consent good for?

This consent is effective for a period of one year from the date of your signature on the release.

What are my rights?

You have the following rights with respect to this consent:

- You may revoke this consent at anytime.
- You have the right to receive a copy of the Authorization.
