LIST
 Revised **April 15, 2018**

PLEASE NOTE: See Authorization Overview document for details regarding

CPT code changes occur annually and occasionally through out the year. It's important that provider offices ALWAYS determine authorization requirements based on current and valid codes in effect at the time the service is being requested and provided.

INSTRUCTIONS

1. Use this code list in conjunction with the Authorization Guidelines based on the member's primary coverage; CareOregon Advantage (COA) or Oregon Health Plan (OHP).
2. This list only applies when the services are performed in following settings:
a) office , b) ancillary, c) ASC for ASC approved procedures, and d) facility day patient/surgery
3. COA STAR members (eff. 1/1/2018)- All non-par providers require prior authorization for all services. (Adventist providers/facility no longer in-network eff. 3/1/18)

OHP MEMBERS - additional instructions:

1. For diagnostic (dx) procedures - Prioritized list does not apply
