Our members rely on medications to get and stay healthy. **That’s why we pay for many prescription drugs.** We want to make sure you have the medications you need. If you urgently need a drug that’s not covered, call Customer Service at **800-224-4840** or TTY **711**.

### Covered medications

Many prescriptions are paid for under your Medicaid drug coverage, but not all of them are. **The formulary is a booklet showing which drugs we cover.** When your provider prescribes a medicine, ask if it’s on CareOregon’s formulary.

### Limits on prescriptions

**These drugs are not covered:**

- Drugs not on our formulary
- Drugs that treat conditions not covered by the Oregon Health Plan.
- Drugs for cosmetic purposes.
- Drugs not approved by the FDA.
- Drugs not approved for your condition.

**Other limits:**

- You may receive generic drugs rather than name-brand drugs.
- You may have to try other drugs first (also known as step therapy).
- The drug may be restricted by age.
- The drug may have quantity limits.
- Your prescription may require pre-approval.
- Your pharmacy will need to bill OHA directly for mental health prescriptions.

### Refills

Most prescriptions are limited to **31 days or less.** For most medications, the earliest date you can get a refill is 23 days after you filled your last prescription. We fill 90-day prescriptions for many medications that treat chronic diseases.

### Your pharmacy benefit also includes:

- Reviewing medications with a pharmacist to make sure they interact well together.
- Some over-the-counter drugs, when you have a prescription.

### Questions?
