

BHSI Online Resources

Quick Tips

Revised July 29, 2023

MMIS (Medicaid Management Information System)

- OHA's online provider portal
- Verify OHP benefits, eligibility, and CCO assignment
- Review the Prioritized List

CIM (Community Integration Manager)

- Health Share of Oregon's Provider Portal
- Verify IDS/ICN assignment - members can be assigned to multiple plans under Health Share
- CareOregon, Kaiser, OHSU, Legacy or Providence

OneHealthPort

- Single Sign-On (SSO) application that allows providers to have only 1 login to access 28+ health plan online provider portals (including CareOregon)
- Register here for a CareOregon Connect account, or to log into CareOregon Connect

CareOregon Connect

- Online provider portal for CareOregon
- Contains eligibility data for members assigned to any CareOregon plan
- View claim & authorization details/status, submit authorizations, view & manage PCP assignment, view remittance advice, and more!
