## No Authorization Required – CPT Code List

Revised August 1, 2025

### Please note:

- CPT code changes occur annually and occasionally throughout each year.
- It is important that provider offices determine authorization requirements based on current and valid codes **in effect at the time the service is being requested and provided.**
- See Authorization Overview document for details regarding Care Oregon's relationship to some of Oregon's Coordinated Care Organizations.
- Provider contracts may have different requirements than below. Please refer to your contract in addition to the details below for accurate requirements.

### Instructions

1. Use this code list in conjunction with MMIS Provider Portal and the Authorization Guidelines based on the member's primary coverage; CareOregon Advantage (COA) or CareOregon OHP. **CMS and OHA billing rules for excluded codes will apply post service.**
