### CareOregon (Medicaid) Specialty Drug List

This list reflects medications designated as specialty drugs under the pharmacy benefit. Most specialty drugs require a prior authorization for medical necessity. Please review our formulary document (drug list) for coverage details. If covered through the prior authorization process, these drugs will be limited to being dispensed to defined specialty pharmacies. You may call customer service with any questions:

**Columbia Pacific CCO:** toll-free, 855-722-8206

**Health Share/CareOregon:** 503-416-4100 or toll-free, 800-224-4840

**Jackson Care Connect:** 541-500-0567 or toll-free, 855-722-8208

CareOregon OHP Formulary [CareOregon - Medicaid prescription drug list](#)

Note: This list does not apply to drugs administered by a physician and billed directly by the provider.

| Drug Class                               | Drug Name                |
|------------------------------------------|--------------------------|
| Agents for Gaucher Disease               | Cerdelga                 |
| Agents for Gaucher Disease               | migLUstat                |
| Agents for Gaucher Disease               | Yargesa                  |
| Agents for Gaucher Disease               | Zavesca                  |
| Alkylating Agents                        | Gleostine                |
| ALS Agents                               | Radicava ORS             |
| ALS Agents                               | Radicava ORS Starter Kit |
| Aminoglycosides                          | Arikayce                 |
| Aminoglycosides                          | Bethkis                  |
| Aminoglycosides                          | Kitabis Pak              |
| Aminoglycosides                          | Tobi                     |
| Aminoglycosides                          | Tobi Podhaler            |
| Aminoglycosides                          | Tobramycin               |
| Antiasthmatic - Monoclonal Antibodies    | Fasenra                  |
| Antiasthmatic - Monoclonal Antibodies    | Fasenra Pen              |
| Antiasthmatic - Monoclonal Antibodies    | Nucala                   |
| Antiasthmatic - Monoclonal Antibodies    | Tezspire                 |
| Antiasthmatic - Monoclonal Antibodies    | Xolair                   |
| Anti-Cataleptic Agents                   | Lumryz                   |
| Anti-Cataleptic Agents                   | Lumryz Starter Pack      |
| Anticonvulsants - Misc.                  | Epidiolex                |
| Anticonvulsants - Misc.                  | Ztalmy                   |
| Antimetabolites                          | Onureg                   |
| Antimetabolites                          | Tabloid                  |
| Antineoplastic - Angiogenesis Inhibitors | Inlyta                   |
| Antineoplastic - Angiogenesis Inhibitors | Lenvima                  |
