Health Share of Oregon partners with the five dental plans below to administer dental benefits for members. Health Share assigns members to one of these five plans. If a member would like to change dental plans, contact Health Share customer service at 503-416-8090 or 888-519-3845.

Contact the member’s dental plan for help finding a dentist. To find the member’s dental plan, check the back of the ID card or call Health Share customer service.

Health Share of Oregon members:
- Advantage Dental: 866-268-9631
- CareOregon Dental: 888-440-9912
- Kaiser Dental: 800-813-2000
- ODS Community Dental: 800-342-0526
- Willamette Dental: 855-433-6825

The dental plan name and number is located on the back of the Member ID card.
